Your site for consultation with Indian Astrologer

Cosmograce is blessings flowing in universe.

Astrology is the eye of Vedas. These are the ancient books of knowledge. **Universe** is the play of cosmic-entities within dimensions of time and space. Knowing

time

(Kaal) is Astrology and knowing

Space

is Vaastu.

We, at Cosmograce, share insights based on tested traditional methods of astrology and vaastu so as to let you enjoy your stay on Earth. You can swim well in ocean of existence. You can invoke grace of divine and focus on goals you choose.

Based on your birth data, Query Time or number, we cast vedic chart of heavens and read it to predict what heavens have in store for you about matters of your concern. If adverse outcome is seen in the womb of time then we offer suggestions regarding remedies, if desired.
